Dear Mr van der Westhuizen

On behalf of the Benoni Eisteddfod Committee we should like to thank you, your staff and learners for hosting the first three weeks of the Senior English section of this year's eisteddfod.

We are fully aware of the disruption this causes to school routine and of the additional work added to the load of already over-burdened teachers, but we sincerely believe that the benefits to all the participants outweigh the disadvantages.

Thank you to all concerned for the time you gave up, for the assistance provided by staff and learners, for the warmth of your school's hospitality and for the delicious meals provided. Special thanks go to Chantal Morkot, a very gracious and friendly hostess, for her efficient organisation. We record our thanks also to those responsible for the catering, to the workers who prepared and cleared the hall each day, and to Kayleigh, Nishika, Nicola, Elmarie, Hayley and Kerry who helped with administrative duties. It was a huge boon to the Committee to have Benoni High teachers so willing to fill in one whole slot each day, and to do the job so efficiently. In addition, our thanks go to the RCL nominees who ran the "tuck shop". They were unfailingly polite and willing to assist in any way they could.

It was good to hear positive comments from many audience members about Benoni High School.

Your continued support is greatly appreciated by the Committee.

Yours sincerely

ETTIE HOUGH (CHAIRMAN) & GLYNNIS WARD (ADMINISTRATIVE MANAGER)
