

Headmaster's Newsletter

March 2018

Greetings to the Benoni High Community

The SGB elections were successfully completed on Wednesday. Thank you to those in attendance and to the governors who have been elected.

The following remain areas of concern for all the folk of Benoni High School namely bullying, cell phones and security. Bullying is simply not tolerated in any way or form and will be dealt with most severely. The use of cell phones, during school time, is simply prohibited. Learners have to remain vigilant at all times; unfortunately learners are seen as targets for the criminals that move around the community. The learners must have their diaries at all times; this allows for identification and so isolates any person masquerading as a Benoni High learner.

Parents have spoken regards the desire to purchase 'Supporters Items'. The practice is present in many schools and I am sure a stronger community identity will be created. The Supporters Items will be need to ratified by the new Governing Body.

Safety and security of the school will always remain a top priority. I have thus taken the decision, after consultation with the school executive, to permanently close the school entrance from O'Reilley Merry Street (Mpumalanga Gate). This will be done with immediate effect. Your co-operation and understanding will be most appreciated.

The following upcoming sporting events are to be noted:

St. Davids College (H) 24 March 2018

FA Odendaal (H) 27 March 2018

The arrangements for 28 March 2018 is as follows:

Assembly	8.00 – 9.00
Home Room	9.00 – 9.15
Reports distributed	9.15 - 9.45
Learners dismissed	9.45am

School will re-open on 10 April 2018. Parents evening will take place on that day and educators will be available between 16h00 and 19h00.

Have a wonderful and blessed Easter.

Thank You

Mr. G.E. Rooyakkers
(Headmaster)
